Dear Parents,

In September your child will be old enough to begin school. While early childhood education is not required by the state, the demand for such classes have grown tremendously over the past few years, early childhood is the fastest growing part of education today. Your choice of a school is a decision that begins your child's educational career.

St. James Preschool and 4K offers a warm, caring Christian environment with opportunities for developmentally appropriate experiences. Your child will participate in activities that promote social, emotional, intellectual, physical and academic growth. Most importantly St. James Preschool shares the good news of Jesus Christ that assists your child to grow spiritually. St. James School is accredited and celebrates over 30 years of partnering with parents to provide a quality education.

We invite members of St. James and families using our Child Care Center to register on Tuesday evening, March 5th, from 5:00-6:00 at St. James Lutheran School. You may enter the building on Andrews Street by the school library and proceed to the end of the hall by the gym area. Mrs. Schwartz, Mrs. Dillenburg, Mrs. Klement, Mrs. Keuschel, and Mrs. Zuleger will be available to tell you about requirements and answer any questions you may have. Those who cannot be present that evening may register Wednesday, March 6th, or Thursday March 7th, during the day at the Child Care office by appointment. Please call 715-524-5422.

We ask that you please have the enclosed registration form filled out and bring it with you to registration.

Many families from our community wish to enroll their children in our Early Childhood program. Registration for community members not having children presently enrolled in our school will open from 5:00-6:00 p.m. on Thursday, March 7th, at St. James School. Enter the school on Andrews Street by the school library and proceed to the end of the hall by the gym area. It is important that our members and those who presently have children enrolled in our school register during the times noted above, since we normally fill our classes.

Sorry, but there are no phone or early registrations. YOU MUST REGISTER IN PERSON.
